

WELCOME TO GEOMETRY PREAP 2018 – 2019

PURPOSE: This course is designed to introduce the basics of plane, solid and coordinate geometry. It stresses geometric knowledge of physical space, deductive and inductive reasoning, and the integration of geometry and algebra to prepare students to take Calculus.

CLASSROOM WISH LIST:

- _____

PERSONAL SUPPLIES:

- folder with pockets & brads
- **OPTIONAL:** TI-84 Plus (preferred) Calculator

Schoology:

www.schoology.com

Lessons and assignments will be posted here. If you are absent, it is your responsibility to copy the notes and print the assignment that you missed.

CLASS EXPECTATIONS:

- Be **R**espectful
- Be **A**ccountable for School Rules
- Be **P**repared

Behavior Consequences:

1. Verbal warning or other action
2. Detention and phone call to parents
3. Office Referral

Academic Achievement:

- At least 2 per six weeks
- Since this is a Pre-AP class, there will be no retests.
- Tests are designed to be finished in a 50-minute class period so **NO EXTRA TIME** will be given if test is not completed during class time.

GRADING:

- 75% Academic Achievement
- 25% Academic Practice

Academic Practice:

• **Quizzes**

If you are absent for a quiz, your test grade for that unit will go in for that quiz grade.

• **Homework assignments**

Homework is due the day after the test at the beginning of class. It will be accepted one day late for half credit. It will be a completion grade and you must show all work!

• **Review Sheets**

Review sheets may occasionally be collected and are due on test day and will only be accepted one day late for half credit.

• **In-class activities or assignments**

BYOD: According to school policy, students may use their electronic devices during passing periods and at lunch. Students will refrain from using these devices in the classroom unless specific permission is given by the teacher. Our testing policy will mirror the standardized testing policy. On a test day, any electronic device will need to be secured in a backpack or bag or to be placed in a location designated by the teacher. The device will not be accessed until deemed appropriate by the teacher.

MAKE-UP WORK: It is your responsibility to make up ALL work that is missed. *Work missed due to school related absences must be done ahead of time.* You have the number of days you were absent plus one to make up missed assignments, quizzes and tests. Schoology will have recorded lessons and assignments.

TUTORIALS:

I am always happy to help you! If I am not available due to school duties and meetings, please check the math department tutorial list. This list is posted on the CSHS website as well as throughout the math hallways. A math teacher is always available to help.
